Please Note.

The committee wishes to remind all members that we work hard to ensure that your interests in the club are taken care of. Our job is to oversee the day to day running of the club and to offer services and entertainment for all members. We endeavor to keep everyone happy but this is not always easy.

If we are doing something right we want to hear, and, if not, please let us know also. Leave a complaint or a suggestion, with your name and membership number in the box at the front desk. The committee will follow it up.

We ask that all of our hard working staff employed by the club or the caterers be treated with respect and allowed to do their jobs especially in busy and sometimes stressful times.

Thank you
