Coast Guard - Day Skipper Course.

It will be close to Christmas but we wanted to fit it in before you all get out on the water. This is a fantastic course teaching valuable safety skills to everyone using a boat of any size. Many don't realise that there is much you need to know in boating to prevent accidents or cause nuisance.

- *What do the buoys mean?*
- *What are the rules when passing another boat?*
- *Are you allowed and how do you use a radio?*
- *What are the speeds you are allowed to travel on the water?*
- *What do you do in an emergency?*

This is a 15 hour, nationally recognised, certificated course and NCEA accredited. We are lucky enough to be able to hold it here at the Boat Club and offer you discounted rates.

The course runs on Monday 10th Dec 6-9pm, Tuesday 11th Dec 6-9pm and Sunday 16th Dec 8.30-5.30

Cost - \$150.00 each [normally \$170.00] or **\$130.00 for club members**

Bookings are essential. Please leave your name at the club bar or phone Tracy on 5481018 A/H
